APPENDIX I

Reservation of seats in favour of Local / Non-Local candidates

(In accordance with the A.P Educational Institutions (Regulation of Admissions) Order, 1974.)

- A i) After bifurcation of AP State, a new University namely Professor Jayashankar Telangana State Agricultural University (PJTSAU) was formed. Admission to 85% of the seats after excluding those reserved for the candidates from outside the State, shall be reserved in favour of and allocated among the **local candidates** in relation to the local area in respect of the **Osmania University**.

Among the seats allotted to respective States, the local seats (85%) will be filled by the respective Universities of the respective States. The remaining 15% of unreserved (non-local) seats will be filled in open competition for both the States.

While determining the number of seats to be reserved in favour of the local candidates under Sub- para (i) any fraction of a seat shall be counted as one provided that there shall be at least one unreserved seat.

While allocating under Sub-para (i) the reserved seats among the local candidates in relation to the different local areas, fraction of a seat shall be adjusted by counting the greatest fraction as one and if necessary also the greater of the remaining fractions as another, and where the fraction to be so counted cannot be selected by reason of the fractions being equal, the selection shall be made by lot, provided that there shall be at least one seat allocated for local candidates in respect of each local area.

If a local candidate in respect of a local area is not available to fill any seat reserved or allocated in favour of a local candidate in respect of local area, such seat shall be filled as if it had not been reserved. **Local Candidates**

1. A candidate for admission to any course of study shall be regarded as a local candidate in relation to a local area:
 - a) If he/she has studied in an educational institution or educational institutions in such local area for a period of not less than four consecutive academic years ending with the academic year in which he/she appeared, or as the case may be, first appeared in the relevant qualifying examination

OR

 - b) Where, during the whole or any part of the four consecutive academic years ending with the academic year in which he/she appeared or, as the case may be, first appeared for the relevant qualifying examination, he/she has not studied in any educational institution, if he/she has resided in that local area for a period of not less than four years immediately preceding the date of commencement of the relevant qualifying examination in which he/she appeared or, as the case may be, first appeared;
2. A candidate for admission to any course of study who is not regarded as a local candidate under sub- paragraph (1) in relation to any local area shall:
 - a) If he/she has studied in educational institutions in the State for a period of not less than seven consecutive academic years ending with the academic year in which he/she appeared or, as the case maybe, first appeared for the relevant qualifying examination be regarded as a local candidate in relation to;
 - i) Such local area where he/she has studied for the maximum period out of the said period of seven years;

OR

 - ii) Where the periods of his/her study in two or more local areas are equal, such local area where he has studied last in such equal periods.

OR

b) If, during the whole or any part of the seven consecutive academic years ending with the academic year in which he/she appeared or as the case may be, first appeared for the relevant qualifying examination, he/she has not studied in the educational institutions in any local area, but has resided in the State during the whole of the said

period of seven years, be regarded as a local candidate in relation to:

- i) Such local area where he/she has resided for the maximum period out of the said period of seven years;
