THIS TENDER ENQUIRY HAS THE FOLLOWING CHAPTERS AND ANNEXURES:

Chapter I : Instructions to Bidders
Chapter II : Conditions of Tender/Contract
Chapter III : Schedule of Requirement
Chapter IV : Proforma for Technical Bid/compliance statement
Chapter V : Proforma for financial bid
Annexure -I : Performance Statement for last 3 years
Annexure-II : Certificate
Annexure-III : Checklist for tenderers
Annexure-IV : Specimen contract agreement

You are requested to study the tender documents completely and ensure all documents and Annexures are correctly filled in, signed and stamped where applicable and then submit your offer.

Tenderers are advised to carefully go through all the conditions and documents attached with this tender enquiry, before filling in the tender. For each equipment/ item separate tender have to submitted as prescribed in the tender document using separate form, alongwith all documents, EMD etc. All tender documents attached with the tender are sacrosanct for considering any offer as a complete offer. All tender documents must be duly completed, signed by authorized signatory on each page and returned with the offer.

This tender is not transferable.

</table>
| 5 | Place of Submission of Tender Documents | Office of the Associate Dean, College of Agriculture, Rajendranagar, Hyderabad.  
   i) The Institute will not be responsible for tenders submitted at any other place. Tenders not received within the due date will not be considered under any circumstances or for any reason.  
   ii) Tenderers are requested to study the tender documents completely and ensure all documents, forms and annexure to the tender are completely and correctly filled in, signed and stamped where applicable, all necessary literature, brochures and pamphlets have been attached and then to submit their offer. Incomplete tender documents shall be rejected straightway without any reference to the tenderers. Leaving any column not filled in or with cuttings will lead to rejection of the tender. |
| 6 | Earnest Money Deposit (EMD) and Validity | Must be deposited in the form of crossed Demand Draft/Fixed Deposit receipt/Bank Guarantee in favour of “Associate Dean, College of Agriculture, Rajendranagar, Hyderabad” payable at SBI, Rajendranagar branch.  
No other form of deposit will be accepted. There will be no exemption for paying earnest money. However, Firms registered with the Central Purchase Organization/NSIC/MSME only are exempted from submitting bids without EMD (proof of registration must be attached thereof without which it will not be considered). In case, if any tenderer fails to deposit the Earnest Money the tender will be rejected straightway. |
| 7 | OFFER VALIDITY of rates | The rates quoted should be valid for at least six months from date of opening of technical bid. |
| 8 | Extension of validity | If the validity of the tender is extended, the validity of the Earnest Money will also have to be suitably extended by the tenderer failing which tender shall not be considered by the purchaser after the expiry of the said period. |
| 9 | Eligibility for Responding | i) Only those firms should respond who are the manufacturers/authorized dealers/agents of the scientific/farm equipments, specified in the tender specifications. ii) The foreign manufacturers of the tendered scientific/farm equipments will have to specify in the tender document, |
details of the sales service to be provided after expiry of warranty period.

iii) Indian agents of foreign manufacturers/principal are allowed to participate in the tender subject to the following conditions:

a) The Indian agent will submit along with the tender documents a copy of latest authority letter/agreement from the foreign manufacturer/principal.

b) Such agreement/authority with the foreign manufacturers/principal should be on tender specific basis, not general authorization/dealership.

c) In cases where the manufacturer has submitted the bid, the bids of its authorized dealer will not be considered and EMD will be returned.

d) The Indian agent will provide details of the equipment after sales service and post contractual support i.e. repair, maintenance, supply of spare parts etc. that he will carry out.

e) Offers from firms whose business activities are limited to procuring items from manufacturers, both Indian and Foreign and supplying the same to the purchaser, and having no after sales service backup will not be entertained.

f) Where the quoting party/Indian representative claims to be subsidiary or branch office or an authorized representative or principal foreign manufacturer/supplier in India, then a copy of approval from RBI/Ministry concerned for operating business in India as subsidiary/branch/liaison or joint-venture may be submitted with offer.

The Indian agent of foreign manufacturer should be Registered with DGS&D only in case the bid is for item falling in the restricted list of the Export & Import Policy of Govt. of India. Copy of the current concerned Registration Certificate must be enclosed failing which the bid will not be accepted.

iv) The tenderer must have latest income tax return and PAN

v) The tenderer must have latest GST certificate

vi) The firm must have trade registration certificate

Manufacture should be registered with DGS & D only in case the bid is for item falling in the restricted list of the export and import policy of Govt. of India. Copy of the current concerned Registration certificate must be enclosed failing which the bid will not be accepted.

viii) Latest income tax return and copy of PAN
ix) Latest GST certificate
x) It shall also be confirmed that there are no Govt. restrictions or limitation in the country of the suppliers or countries from which sub components are being procured and/or for the export of any part of the system being supplied. Tenderer shall provide a certificate to this effect.

B. FINANCIAL BID: The SECOND COVER should contain the following:

i) Details of rates, taxes, duties, discounts, if any, quoted by the bidder, should be submitted as per Chapter-V.
ii) Any documents in support of price bid.
iii) For Indian manufacturer rate should be at F.O.R. destination. iv) For foreign supplier rates should be at FOB basis.

NOTE: Full name and status of the person signing the tender documents must be clearly mentioned in the Tenders.
Note: Quotation/Tender having overwriting and cutting without proper attestation and signature will not be considered.

A two stage procedure will normally be adopted:

i) Stage-I: Technical Evaluation

a) Evaluation of Technical Bids to assess their suitability against the laid down parameters.
b) The tenderer must specify and highlight the page no. in the original technical literature in compliance to indentor’s specifications failing which the tender will be rejected.
c) Tenderers must ensure that they enclose all original technical literature and detailed documentary proofs which specifically bring out the compliance of the equipment being offered against the specifications. If necessary the Tenderers may be directed to give a presentation/demonstration for evaluation by a technical committee constituted for the purpose.
d) In case it is not possible to verify compliance of equipment as per technical bid due to lack of adequate documents, in original, no reference will be made to tenderer and the bid will not be considered further and treated as cancelled.

ii) Stage-II: Financial Evaluation

a) The price bids of only those firms found meeting the laid down specifications at stage I shall be opened, evaluated and considered further. 
b) It is in the tenderers interest to include all relevant and detailed technical data as supporting documents along with their bid.
c) AMC/CMC charges shall not be included for the evaluation of the financial bids.

Signature of Tenderer with office seal
CHAPTER-II
CONDITIONS OF TENDER/CONTRACT

1. All annexure, attached with the Tender should be duly filled in and supported with requisite documents for considering any offer as a complete offer.

2. Associate Dean, College of Agriculture, Rajendranagar reserves the right to cancel/reject any or all the tenders without assigning any reason.

3. The tender document may be downloaded from the pjtsau.edu.in Bidders are required to submit the separate tenders for each equipment. The duly filled in tender form along with EMD (in the shape of Demand Draft) alongwith original brochure may be submitted in the Office of Associate Dean, College of Agriculture, Rajendranagar before the due date and time failing which the tender/quotation will not be entertained/accepted. The Demand Draft may be made in favour of “Associate Dean, College of Agriculture, Rajendranagar” from any nationalized/commercial bank payable at Ludhiana.

There will be no exemption for paying earnest money. However, Firms registered with the Central Purchase Organization/NSIC/MSME only are exempted from submitting bids without EMD (proof of registration must be attached thereof without which it will not be considered).

   a) No interest shall be payable by the purchaser on the EMD deposited by the tenderer.

   b) The EMD deposited is liable to be forfeited if the tenderer withdraws or amends impairs or derogates from the tender in any respect within the period of validity of his tender.

   c) If the successful tenderer fails to furnish the performance security as required in the contract within the stipulated period, the Earnest Money shall be liable to be forfeited by the purchaser.

   d) EMD of the unsuccessful tenders shall be returned after finalization of tender.

4. GUARANTEE/WARRANTY

   I. Except otherwise provided in the invitation to tender the contractor hereby declares that the goods/stores/articles/equipment sold/supplied to the purchaser/consignee under this contract shall be of best quality and workmanship and new in all respects and shall be strictly in accordance with the specification and particulars mentioned/contained in the contract. The contractor hereby guarantees that the said goods/stores/articles would continue to conform to the description and quality aforesaid for a period of Twenty Four months from the date of receipt of goods/articles/equipment in good condition at site by the consignees in case of supply contract and Twenty Four months from the date of installation and satisfactory taking over of the goods/stores/articles/equipment at site by consignee where installation and commission is involved and notwithstanding the fact that the purchase /inspection authority has inspected and/or approved the said goods/stores/articles equipment or such if during the Twenty Four months the said goods/stores/articles/equipment be discovered not to conform to the description and quality aforesaid or not giving satisfactory performance or have
deteriorated and the decision of the purchaser/consignee in that behalf shall be final and binding on the contractor/seller and the purchaser shall be entitled to call upon the contractor/seller to rectify the goods/stores/articles/equipment or such specified period as may be allowed by the purchaser in his/her discretion on application made thereof by the contractor/seller, and in such an event, the above period shall apply to the goods/stores/articles/equipment rectified from the date of rectification mentioned in the warranty thereof, otherwise the contractor/seller shall pay the purchaser such compensation as may arise by reason of the breach of warranty therein contained.

II. Guarantee that they will supply the spare parts, if and when required on agreed basis for an agreed price. The agreed basis could be and including but without limitation an agreed discount on the catalogue price or an agreed percentage of profit on landed cost.

III. Warranty to the effect that before going out of production for the spare parts they will give adequate advance notice to the purchaser of the equipment so that the later may undertake the balance of lifetime requirements.

NOTE: In case of any discrepancy in the period of guarantee/warranty mentioned anywhere else in this Tender document, the stipulations as mentioned in the chapter IV (specification of the equipment/item to be purchased) would prevail.

5. Price: The price quoted shall be on firm and fixed basis and should be reasonable leaving no scope for any further negotiation on price.
   A. For goods manufactured in India: (i) on FOR basis (including all kind of charges and taxes)
      (ii) Installation commissioning charges, if any
   B. For goods manufactured abroad: (i) price of the goods should be quoted on FOB basis
      (ii) Indian agent commission if any
      (iii) Installation commissioning charges, if any

The University is exempted from payment of excise duty. Hence, excise duty will not be paid to the firm.

Sales tax: The University is not authorized to issue Sales Tax Form C&D.

The Institute is exempted from payment of Custom Duty for which the exemption certificate will be issued.

6. AMC of Equipment: The firm has to ensure that after the warranty/Guarantee term is over, there will be AMC of the equipment on mutually agreed price and terms and conditions.

7. Penalty for use of undue influence:- The seller should undertake that he has not given offered or promised to give directly or indirectly any gift, consideration, reward, commission, fees brokerage of inducement to any person in service of the Purchaser or otherwise in procuring, the contract or forbearing to do or for having done or for borne to do any act in relation or execution of the contract or any other contracts with the Institute for showing or for bearing to show favour or disfavor to any person in relation to the contract or any other contract in the University. Any breach of the aforesaid
undertaking by the seller or any one employed by him or acting his behalf whether with or without the knowledge the seller or the commission of any offers by the seller or any one employed or acting on his behalf, as defined in Chapter-IX of the IPC, 1860 or the Prevention of Corruption Act, 1947 or any other Act enacted for the Prevention of Corruption shall entitle the purchase to cancel the contract and all or any other contract with the Institute seller and recover from the seller the amount of any loss arising from such cancellation. A decision of the purchaser or his nominee to the effect that a breach of the undertaking had been committed shall be final and binding on the seller.

Giving or offering of any gift, bribe or inducement or any attempt at any such act on behalf of the seller towards any officer/employee of the purchaser or to any other person in a position to influence any officer/employees of the purchaser for showing any favour in relation to this or any other contract shall render the firm to such liability/penalty as the buyer may deem proper, including but not limited to termination of the contract, imposition of penal damages, forfeiture of the bank guarantee and refund of the amounts paid by the buyer.

8. **LAWS GOVERNING THE CONTRACTS**: The contracts shall be governed by the laws of India for the time being in force. The contract shall be interpreted in accordance with these laws.

9. **Jurisdiction of Court**: The dispute(s), if any, arising in relation to the Contract, shall be subject to Hyderabad jurisdiction.

10. **Force Majeure Clause**: The Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, it’s delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure. For purposes of this Clause, “Force Majeure” means an event beyond the control of the Supplier and not involving the Supplier’s fault or negligence and not foreseeable. Such event may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods. Epidemics, quarantine restrictions, strikes, lockout or any act of war. Notice of the happening of any such event is given by either party to the other within 15 days from the date of occurring thereof. However either party at its discretion can terminate the contract in such cases.

11. **Termination of contract**: Time shall be the essence of the contract. The purchaser shall have the right to terminate the contract without any notice in part or in full in any of the following cases.

   a) The delivery of the material is delayed for causes not attributed to Force Majeure after the scheduled date of delivery.

   b) The seller is declared bankrupt or becomes insolvent.

   c) The delivery material is delayed due to causes of Force Majeure by more than reasonable time.

   d) In case Performance Security is not furnished within the time period specified by the purchaser.

   e) if the Tenderer do not conform to the specifications of the equipment being purchased.
f) Any change in Address /Telephone/Fax/e-mail of the tenderer should immediately be informed. The state of non-communication by the firm will make the offer liable for rejection.

12. The successful bidder will have to provide the original proforma invoice from the foreign principal (duly signed in ink), in case of imported item/equipment, within 15 days of the date of receipt of purchase order, otherwise the purchase order will automatically stand cancelled without any further communication.

13. **Govt. Regulations:** It shall also be conformed that there are no Govt. restrictions or limitation in the country of the supplier or countries from which sub-components are being procured and/or for the export of any part of the system being supplied. Tenderer shall provide a certificate to this effect.

14. **Late/Delayed tenders** shall not be considered at all. These will be returned to the firm as it is at their expenses. Post tender revision/correction shall also not be considered.

15. **Acceptance or rejection of offer:** - The Associate Dean, College of Agriculture, Rajendranagar reserves the right to accept or reject any tender in part or full without assigning any reason thereof. The successful bidder should submit order acceptance letter within 15 days from the date of issue.

16. **Page Numbering and Signatures:** - Every page of the tender must be numbered and signed by the authorized signatory giving his/her name and designation below the signature.

<td></td>
</tr>
</tbody>
</table>

**The Pump:**

- 2. High Pressure binary gradient pump System
- 3. Should deliver constant and pulse free solvent ranging from 0.01ml to 5.0ml/min or better with a precision of 0.1% RSD or better.
- 4. Should meet a flow accuracy of +1% or 10 ul/min, whichever is greater.
- 5. Should have a pressure range of 0 to 8500 psi or more for entire flow range and should be compatible to use 2.5 microns particle size columns.
- 6. Should have a composition accuracy of +0.5% absolute, independent of backpressure.
- 7. pH range: 1 to 12 or better.
- 8. Should have the facility to calibrate the flow and readjust the real time flow values.
- 9. Should have the facility to monitor the pump status like flow, pressure etc.,

**In line degasser:**

- 10. A degasser to degas in line of all the solvents lines including normal phase solvents should be supplied which works continuously and efficiently.

**Column Oven (optional):**

- 11. Column oven to accommodate up to two or more 30cm Columns, preferably a microprocessor based, conforming to ISO 17025 with the NABL accredited lab certificate.
- 12. Should have a range of ambient to 75°C
- 13. Should have an accuracy of 1°C
- 14. Should have indicators/monitors to know the status of the instrument.

**Injector Port:**

- 15. Rheodyne fixed loop injector assembly with trigger type should be supplied along with the instrument. Should be provided variable pre calibrated sample loops (5,10,20,50μL) with maintenance kit.

**Auto sampler (optional):**

- 16. Should have Injection range of 0.1 - 100μl in 0.1μl increments. Should be upgradable to 1500μl or more.
- 17. Injection cycle time should be 20μl or less
- 18. Injection precision should be less than 0.3% RSD
19. Sample Capacity should be 100 x 2ml vials or more.

20. Carryover: should be less than 0.05% or better

### DETECTORS

**1. PDA Detector with following specifications:**

- The detector should have wavelength range of 190-800 nm or more
- Wavelength accuracy of ±1 nm
- Wavelength Repeatability: ±0.1 nm
- Should be operable at high resolution mode (resolution: 1.2 nm per photodiode) with a total of 512 Photo diodes or better, digital, and optical (3D mode)
- Should be operable at noise level 1.0x10⁻⁵ AU at 254 nm or better
- Drift: <1.0x10⁻³/Au/hr/°C
- Base line noise: 10x10⁻⁶ AU
- Slit width: 1.2 nm or better
- Data Acquisition: Up to 80 Hz or better
- Path-length: 10 mm or better
- Flow cell Design and cell volume: 10 μL or better and should have minimum RI effect
- Deuterium lamp should be used as light source with minimum life of 2000 hrs or more.
- Should have provision to control peak purity using software.

**2. UV-Vis. Detector with the following specifications.**

- Should have a wavelength range of 190 – 600 nm
- Should have a wavelength accuracy of ±1 nm
- Should have a base line Noise less than ±0.5 X 10⁻⁶ AU, 230 nm.
- Should have a drift less than ±1 x 10⁻⁴ AU/hr/°C, 230 nm.
- Linearity range: <5% at 2 AU
- Slit width: 1.2 nm or better
- Should have the lamp health check facility to track the usage of lamp.
- Should have self-diagnostics to check the system function and calibration
- Should have an easy operation to calibrate the system

### Columns:
The following columns may be supplied **along with instrument**

- **1. Silica column** 250mm X 4.6mm id, 5mic 2 no.
- **2. C18 column** 250mm X 4.6mm id, 5mic 4 no.
- **3. C18 column** 250mm X 4.6mm id, 10mic 1 no.

**Guard Column:** Suitable guard column sets (2 no’s) with C18 inserts should be supplied along with instrument.

**Sample clarification kit:** Stain steel sample clarification kits 2 No’s along with membranes should be supplied.

**UPS:** An uninterruptable power supply system (of reputed brand with proven performance record) of 5 KVA capacity with 1 hours backup supported by
maintenance free sealed batteries (65Ah batteries or better) should be supplied with equipment.

### Data Handling Software and PC:

50. Computer of standard make like HP, Dell or Lenovo should be supplied with mentioned specification: (ALL IN ONE system) Processor: i7-processor, 3.0 GHz, or higher version; 16GB RAM, 2TB hard drive; DVD Read Write Drive, 22” or more wider LED colour monitor; 101 keys key board, Mouse and Mouse Pad; with latest version of windows based operating software.

### Laser jet Printer

51. The latest software which is compatible with the chromatography software should be supplied. A Original windows latest software which is compatible with the chromatography software be supplied with the system.

52. The chromatography software should be of latest of its version and be able to collect the data from two Detectors simultaneously.

53. The software should facilitate easy method building, data integration and custom report generation.

54. The software should facilitate manual as well as auto integration of the data.

55. The software should have all the features required for audit trail under GLP/GMP with a password locking facility.

56. The software should have a real time display of the chromatogram and the process sample details.

### Other conditions:

57. The specifications are only a guide line and the supplier is at liberty to quote the better options also, but the Instrument model should have been brought in to the market recently with a proven record whose working demonstration can be arranged within the town in a short notice.

58. Should have a three years warranty period for the equipment including the PC and should be willing to undertake AMC/CMC for five years after warranty period.

59. Quotation for AMC/CMC (for five years) should be shown under a separate head in the price bid.

60. The manufacturer/supplier preferably provide support with required spares and services for a minimum period of ten years of the model of the instrument quoted.

61. All the required accessories should be supplied along with the instruments for its optimum performance.

62. The manufacturer/ supplier should have their presence in India by way of supplying and providing after sales service of their instrument including the annual maintenance after the guarantee period.

63. The manufacturer/supplier should arrange the training program in India for at least two analysts in operation of the instrument, its simple maintenance as well as thoroughness in application of software either at our laboratories or their manufacturing site or any of their centralized laboratory/application center/learning school.

64. The cost of the consumables during warranty period may be quoted along with main bid.

65. Service: There must be manufacturer’s after sales
Service Centre in Telangana / Andhra Pradesh to provide regular servicing of the systems.

66. **Important Note:** The Instrument supplier must be either the original manufacturer or their authorized distributor/dealer and an authorization letter to that effect must be enclosed along with the quotation in case of latter.

**Note:**
1. All the bidders are requested to provide true statement in the columns. Concealing of facts will liable to be rejected the tender completely. No communication will be made in this regard.
2. Category of classification of the goods in its packing as per IATA definition inclusive of nature of sensitivity and volume of cargo.
